INDEPENDENT AUDITOR'S REPORT

Board of Directors
Horizons Community Solutions, Inc.
Albany, Georgia

We have audited the accompanying financial statements of Horizons Community Solutions, Inc., which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of revenue and support, expenses, and changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

Continued

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Horizons Community Solutions, Inc. as of June 30, 2017 and 2016, and the results of its operations, changes in net assets, and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

HORIZONS COMMUNITY SOLUTIONS, INC.

NOTES TO FINANCIAL STATEMENTS

June 30, 2017 and 2016

1. Summary of Significant Accounting Policies

Organization

Horizons Community Solutions, Inc. (Organization) is organized pursuant to the Georgia Nonprofit Corporation Code (Code). Effective July 1, 2016, Cancer Coalition of South Georgia, Inc. changed their name to Horizons Community Solutions, Inc. The Organization operates exclusively to strengthen communities and empower people to lead healthy and productive lives as authorized by the Code and within the restrictions of Section 501(c)(3) of the Internal Revenue Code. The Organization's primary sources of revenue are from state agencies, related party hospitals, fundraising programs, and private contributions.

Basis of Accounting

These financial statements, which are presented on the accrual basis of accounting, have been prepared to present balances and transactions according to the existence or absence of donor-imposed restrictions. This has been accomplished by classification of net assets and transactions into two classes – temporarily restricted, or unrestricted as follows:

- *Temporarily Restricted Net Assets* – Net assets subject to donor-imposed stipulations that may or will be met by actions of the Organization and/or the passage of time.
- *Unrestricted Net Assets* – Net assets which represent resources generated from operations or that are not subject to donor-imposed stipulations.

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenditures are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulations or by law. Expirations of restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets. Expirations or restrictions on gifts of long-lived assets or assets to be used to purchase long-lived assets are reported as reclassifications when the long-lived assets are placed in service.

1. Summary of Significant Accounting Policies, Continued

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of support, revenue and expenses during the period. Accordingly, actual results could differ from those estimates.

Gifts, Contributions and Grants

Contributions, including unconditional promises to give, are recognized as revenues in the period the pledge is received. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair value. The Organization had grants receivable due in less than one year of \$134,634 and \$139,456 during 2017 and 2016, respectively. The Organization considers all accounts, grants and pledges receivable to be fully collectible; accordingly, no allowance for doubtful accounts is considered necessary. Management closely monitors outstanding balances throughout the year, and writes off to expense all balances that are considered uncollectible. Grants receivable consist of amounts awarded but not yet paid and due within the next year.

Property and Equipment

Property and equipment acquisitions are recorded at cost. Depreciation is provided over the estimated useful life of each class of depreciable asset and is computed on the straight-line method.

Income Taxes

The Organization is a not-for-profit corporation that has been recognized as tax-exempt pursuant to Section 501(c)(3) of the Internal Revenue Code.

The Organization applies accounting policies that prescribe when to recognize and how to measure the financial statement effects of income tax positions taken or expected to be taken on its income tax returns. These rules require management to evaluate the likelihood that, upon examination by the relevant taxing jurisdictions, those income tax positions would be

sustained. Based on that evaluation, the Organization only recognizes the maximum benefit of each income tax position that is more than 50% likely of being sustained. To the extent that all or a portion of the benefits of an income tax position are not recognized, a liability would be recognized for the unrecognized benefits, along with any interest and penalties that would result from disallowance of the position. Should any such penalties and interest be incurred, they would be recognized as operating expenses.

Based on the results of management's evaluation, no liability is recognized in the accompanying statements of financial position for unrecognized income tax positions. Further, no interest or penalties have been accrued or charged to expense as of June 30, 2017 and 2016 or for the years then ended. The Organization's tax returns are subject to possible examination by the taxing authorities. For federal income tax purposes, the tax returns essentially remain open for possible examination for a period of three years after the respective filing deadlines of those returns.

Subsequent Events

In preparing the financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through November 7, 2017, the date the financial statements were available to be issued.
