Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Horizons Community Solutions, Inc., which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of revenue and support, expenses, and changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Horizons Community Solutions, Inc. as of June 30, 2023 and 2022, and the changes in its net assets, and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Horizons Community Solutions, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Horizons Community Solutions, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Continued

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user based on these financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Horizons Community Solutions, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Horizons Community Solutions, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

June 30, 2023 and 2022

1. Summary of Significant Accounting Policies

Organization

Horizons Community Solutions, Inc. (Organization) is organized pursuant to the Georgia Nonprofit Organization Code (Code). Prior to July 1, 2016, the Organization was known as Cancer Coalition of South Georgia, Inc. The Organization operates exclusively to strengthen communities and empower people to lead healthy and productive lives as authorized by the Code and within the restrictions of Section 501(c)(3) of the Internal Revenue Code. The Organization's primary sources of revenue are from state agencies, related party hospitals, fundraising programs, and private contributions.

Basis of Accounting

These financial statements, which are presented on the accrual basis of accounting, have been prepared to present balances and transactions according to the existence or absence of donor-imposed restrictions. This has been accomplished by classification of net assets and transactions into two classes - net assets with donor restrictions, or net assets without donor restrictions as follows:

- *Net Assets With Donor Restrictions* - Net assets subject to donor-imposed stipulations that may or will be met by actions of the Organization and/or the passage of time.
- *Net Assets Without Donor Restrictions* - Net assets which represent resources available for operations and not subject to donor-imposed stipulations.

Revenues are reported as increases in net assets without donor restrictions unless use of the related assets is limited by donor-imposed restrictions. Expenditures are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulations or by law. Expirations of restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets. Expirations or restrictions on gifts of long-lived assets or assets to be used to purchase long-lived assets are reported as released from restrictions when the long-lived assets are placed in service.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Accordingly, actual results could differ from those estimates.

1. Summary of Significant Accounting Policies, Continued

Gifts, Contributions and Grants

Contributions, including unconditional promises to give, are recognized as revenues in the period the pledge is received. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair value. The Organization had grants receivable due in less than one year of \$190,418 and \$149,793 during 2023 and 2022, respectively. The Organization considers all accounts, grants and pledges receivable to be fully collectible; accordingly, no allowance for doubtful accounts is considered necessary. Management closely monitors outstanding balances throughout the year and writes off to expense all balances that are considered uncollectible. Grants receivable consist of amounts awarded but not yet paid and due within the next year.

Property and Equipment

Property and equipment acquisitions are recorded at cost. Depreciation is provided over the estimated useful life of each class of depreciable asset and is computed on the straight-line method.

Income Taxes

The Organization is a not-for-profit Organization that has been recognized as tax-exempt pursuant to Section 501(c)(3) of the Internal Revenue Code.

The Organization applies accounting policies that prescribe when to recognize and how to measure the financial statement effects of income tax positions taken or expected to be taken on its income tax returns. These rules require management to evaluate the likelihood that, upon examination by the relevant taxing jurisdictions, those income tax positions would be sustained. Based on that evaluation, the Organization only recognizes the maximum benefit of each income tax position that is more than 50% likely of being sustained. To the extent that all or a portion of the benefits of an income tax position are not recognized, a liability would be recognized for the unrecognized benefits, along with any interest and penalties that would result from disallowance of the position. Should any such penalties and interest be incurred, they would be recognized as operating expenses.

Based on the results of management's evaluation, no liability is recognized in the accompanying statements of financial position for unrecognized income tax positions. Further, no interest or penalties have been accrued or charged to expense as of June 30, 2023 and 2022 or for the years then ended. The Organization's tax returns are subject to possible examination by the taxing authorities. For federal income tax purposes, the tax returns essentially remain open for possible examination for a period of three years after the respective filing deadlines of those returns.

Paycheck Protection Loan Program

On April 14, 2020, the Organization received loan proceeds in the amount of \$144,200 under the Paycheck Protection Program (PPP). On May 20, 2021, the Organization applied for and received a second loan of \$130,429. The PPP, established as part of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), provides for loans to qualifying businesses for amounts up to 2.5 times of the average monthly payroll expenses of the qualifying business. The loans and accrued interest are forgivable after the covered period as long as the borrower uses the loan proceeds for eligible purposes, including payroll, benefits, rent and utilities, and maintains its payroll levels. The amount of loan forgiveness will be reduced if the borrower terminates employees or reduces salaries during the covered period. The Organization believes its use of the proceeds is consistent with the PPP and applied for forgiveness. The Organization classified the loans as current prior to the forgiveness of these loans. The Organization will recognize any forgiveness of the loan at the time the Organization is legally released from the debt. In February 2021, the loan of \$144,200 was fully forgiven by the Small Business Administration and recognized as income. In November 2021, the Organization received notification that the second loan of \$130,429 was fully forgiven by the Small Business Administration and, as such, was recognized as income in 2022.

COVID-19 Coronavirus

The COVID-19 coronavirus outbreak has put an unprecedented strain on the U.S. healthcare system, disrupted or delayed production and delivery of materials and products in the supply chain, and caused staffing shortages. The extent of the impact of COVID-19 depends on certain developments, including the duration and spread of the outbreak, and remedial actions and stimulus measures adopted by local and federal governments, all of which are uncertain and cannot be predicted. At this point, the extent to which COVID-19 may impact the Organization's financial position or results of operations is uncertain. The Federal public health emergency for COVID-19 expired on May 11, 2023.

Recently Adopted Accounting Pronouncement

In February 2016, the FASB issued ASU No. 2016-02, Leases (Topic 842), which is a new comprehensive lease accounting model. The new standard clarifies the definition of a lease and requires lessees to recognize right-of-use assets and related lease liabilities for all leases with terms greater than twelve months. As part of the transition to the new standard, the Organization was required to measure and recognize leases that existed at July 1, 2022, using a modified retrospective approach. Adoption of the standard did not have a significant impact to the financial statements.

4. Related Party Transactions

The Organization's Board of Directors includes the Chief Executive Officer of Phoebe Putney Memorial Hospital.

The following schedule shows the receivables and revenues from the related party hospital for the years ended June 30, 2023 and 2022:

	<u>Receivables for 6/30/23</u>	<u>Revenue for 6/30/23</u>	<u>Receivables for 6/30/22</u>	<u>Revenue for 6/30/22</u>
Phoebe Putney Memorial Hospital	<u>\$ -</u>	<u>\$ 146,250</u>	<u>\$ -</u>	<u>\$ 146,250</u>

The Organization has no employees. All employees were provided through TriNet. Under these arrangements TriNet is responsible for all payroll, benefits, and related costs. The Organization recorded salary and benefit expenses from these arrangements of \$979,386 and \$873,948 during 2023 and 2022, respectively.

5. Commitments and Contingencies

From time to time, the Organization may be involved in litigation arising in the course of business. It is anticipated that management will resolve such matters if and when they arise with consultation from legal counsel and without material adverse effect on the Organization's future financial position or results from operations.

6. Concentration of Credit Risk

The Organization maintains deposits with various financial institutions which may, at times, exceed federally insured limits. However, the Organization has not experienced any losses on such amounts, nor does management believe these amounts are exposed to any significant credit risks. Accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 for 2023 and 2022. The Organization's uninsured deposits at June 30, 2023 were \$323,600.

Total financial assets available	<u>\$ 1,209,894</u>	<u>\$ 1,046,915</u>

None of the financial assets available are subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the statement of financial position date. Financial assets subject to donor restrictions are removed from the quantitative information above. The Organization has the ability to structure its financial assets to meet general expenditures, liabilities, and other obligations as they come due.

8. Functional Expenses

The Organization provides health services related to community health improvements, including chronic disease screening, education, research, and outreach, to the people of South Georgia. Expenses related to providing these services in 2023 and 2022 are as follows:

	<u>2023</u>			
	<u>Program Services</u>	<u>Management and General</u>	<u>Fundraising</u>	<u>Total</u>

The financial statements report certain expense categories that are attributable to more than one service or support function. Therefore, these expenses require an allocation on a reasonable basis that is consistently applied. Costs not directly attributable to a function, including depreciation and other occupancy costs, are allocated proportionately to the service and support functions. Benefit expense is allocated consistent with salaries.
